LandingPage_1			<p>Welcome to the 4th European Company Survey.</p> <p>The aim of the survey is to better understand issues regarding the organisation of work and the use of skills, as well as employee training and skills development, in the context of the opportunities and constraints offered by the business environment.</p> <p>Please click 'Next' to start the survey.</p> <p>By clicking the button you agree to participate in the 4th European Company Survey.</p> <p>Data protection</p> <p>You have the right to access, rectify and to request the deletion of any of your personal data that has been collected in this survey at any time, in line with the new European General Data Protection Regulation (GDPR) laws. You also have the right at any time to have recourse to the European Data Protection Supervisor. By completing the survey you agree to your data being processed by Ipsos, Cedefop and Eurofound. Please refer to our Privacy Policy [LINK] for more information about data protection.</p>
LandingPage_2			<p>You may see the (i) symbol next to a question or an answer option. You can click on it for extra information to help you answer the question.</p> <p>If you would like to go back and change your answer, click 'Back'.</p> <p>If you do not want to answer a question, just leave the question blank and click 'Next'.</p> <p>If at any point you wish to stop the survey and start again later you will be able to do this. We advise you to use vertical layout if you complete this survey on a smartphone.</p>

Question name	Routing & DP instructions	Code/label	ENG - English (Ireland)
		{Establishment}	'Establishment' refers to a local unit, plant, site or branch, regardless of the kind of activity taking place. It may be a production unit, headquarters, administrative or sales office, retail outlet, warehouse, distribution centre etc.
		{MM_co_unit}	'Management' refers to the people that direct the company or a subset of it, e.g. units or departments focusing on different geographical markets or on specific functions (sales, human resources, logistics, purchasing, production or lines of production). Managers have employees reporting to them and are responsible for the pay increases, bonuses and promotion of these employees.
		{MM_co_estab}	'Management' refers to the people that direct the company or a subset of it, e.g. establishments at different locations or units or departments focusing on different geographical markets or on specific functions (sales, human resources, logistics, purchasing, production or lines of production). Managers have employees reporting to them and are responsible for the pay increases, bonuses and promotion of these employees.
		{MM_estab}	'Management' refers to the people that direct the establishment or a subset of it, e.g. units or departments focusing on different geographical markets or on specific functions (sales, human resources, logistics, purchasing, production or lines of production). Managers have employees reporting to them and are responsible for the pay increases, bonuses and promotion of these employees.
		{Part_time}	'Part-time' refers to working less than 35 hours per week.
		{Differs_co}	If this differs a lot between different groups of employees, please think about the largest group of employees in this company.
		{Differs_estab}	If this differs a lot between different groups of employees, please think about the largest group of employees in this establishment.
		{Training}	Training includes on-the-job training as well as training courses followed at work, on location or on the internet.
		{Cont_training}	Training that is received on a frequent, regular basis and that is required to keep up with changes in the equipment being used, or in the requirements of the certification needed to carry out the job.
		{Other_jobs}	For instance, to allow for job rotation or career advancement.
		{Suggestion_schemes}	The collection of ideas and suggestions from employees, on a voluntary basis and at any time, often by means of a physical or virtual 'suggestion box'.
	ONLY for AT, CY, DK, EE, FI, FR, DE, IT, LT, LU, PT, RO, SI, ES	{Collective_agreement}	
		{NA_co}	If this company does not sell its products or services (for instance, because it is a not-for-profit organisation), please select this option. If this company does sell its products or services, but does not sell them internationally, please select 'We do not engage in exports (0%)'.
		{NA_estab}	If this establishment is not engaged in sales, please select this option. If this establishment does sell its products or services, but does not sell them internationally, please select 'We do not engage in exports (0%)'.
		{Company}	The company that this establishment is the headquarters of.
		{Consent}	This could be case studies looking more in-depth into the implementation of these practices at the workplace, or online surveys looking at related topics that are not covered in the current questionnaire, or at changes over time.

Question name	Routing & DP instructions	Code/label	ENG - English (Ireland)
	SHOW IF SINGLEST = 2	WPSIZE_MM_N2_intro	When the term 'establishment' is used in this survey, it refers to: [name/address of the target establishment].
WPSIZE_MM	ASK IF SINGLEST = 1	WPSIZE_MM_N1	Approximately how many people work for this company? Please include all people that are employed by the company, regardless of the type of contract and regardless of whether they are physically present or carry out their work outside of the premises. Each employee is counted as one person, regardless of whether they work full-time or part-time. Your best estimate is good enough.
WPSIZE_MM	ASK IF SINGLEST = 2	WPSIZE_MM_N2	Approximately how many people work for this establishment? Please include all people that are employed by the establishment, regardless of the type of contract and regardless of whether they are physically present or carry out their work outside of the premises. Each employee is counted as one person, regardless of whether they work full-time or part-time. Your best estimate is good enough.
